

FELLOWSHIP OF EVANGELISTS AND MINISTERS

June 2015

Hello again in the Precious Name of Jesus. Let's share together some of the ongoing activity across the country involving the work and witness of the Fellowship of Evangelists and Ministers.

THE POWER OF PRAYER

How prayer is answered in Somerset

The visit to the village Chapel was one that we can only thank God for His wonderful blessings upon us. A few days before the visit it looked as if everyone was going to pull out and there would only be Brenda, myself and two others. We began praying even harder, and God answered. Four car loads arrived at the chapel and we had a wonderful time. I preached on "Making the Word of God the central theme of your life" and many were challenged. Afterwards came homemade cake and tea, as no-one left and we all sat round talking of great past blessings, this lasted for an hour and a half.

The Lord continues to bless the little village chapel we attend. The last three services has seen a young mum and her two children come along. The Chapel will be two hundred years old in 2017, so, with much prayer, we are beginning to make plans. The new Chapel Newsletter has its third issue and is well received as we deliver it to all the homes in the village and surrounding area.

For myself, my hernia op has been put back until the 19th of this month. Thankfully the Lord has answered prayers and we have not had to cancel anything.

THE NEW COVENANT

The Message of the Cross

Over 50 studies on the crucial message of the Cross of Calvary has been presented to the Living Word Bible Church in Liverpool by Gary Hall. The entire ministry is on our websites. So making the truth available to a world wide audience. We continue to pray that the Lord will direct and lead the LWBC to new premises in Liverpool.

New Members

We are dealing with applications for membership of Evangelists and Ministers. We have had damaged mail are having to correct this. All this takes more time, however all is now up and running.

ENCOURAGEMENT

1 Thessalonians comes to mind as I write this short message to you. Therefore encourage one another and build each other up, just as in fact you are doing. I look at the churches today and I am discouraged because of its falling away from the true Gospel, The bible is what we have as our rule book, (along with the leading of the Holy Spirit) and we must follow it word for word. We must continue to encourage working together with like minded people to promote its every word.

I have just started my 2nd course with FEM and am being greatly encouraged by my tutor and other members too. Such encouragement in the gospel is heart warming. Good leaders and teachers cultivate, they sow and are seeing results for people growing in the faith. They do this by keeping to and promoting the word through this valuable tool, which is FEM. This is distance learning and it's a massive encouragement to me in my life and ministry. FEM 'By Grace through Faith', it's a mutual faith we have in Christ.

Let's move forward with the gospel message, taking it to the entire world. 'Therefore encourage one another and build each other up, just as you are doing.' May God bless and keep you in your ministry whatever way that might be?

I have been blessed in this daily witness for the Lord. Here is a sample from the planned entry for Sunday 14th of June.

Christians are Messengers

Malachi 1:11. "For from the rising of the sun even unto the going down of the same my name shall be great among the Gentiles; and in every place incense shall be offered unto my name, and a pure offering: for my name shall be great among the heathen, saith the LORD of hosts." Malachi was a man who left his mark. He was used by the Lord to witness to the people of his day. Heavenly truth is effective for our good whatever the time, be it 515 BC or 2015 AD. God's loving truth jumps generations with ever renewing vigour and active strength. Christians today are the Malachi's of yesteryear. They share the ever living message of the saving Gospel message with the people. The name Malachi means messenger, our name should mean messenger too.
